Sectional Antennas ship common carrier within a few days at a very low cost.

ISPM 15 Compliant

LCL or container shipping available for export shipments.

09/23/20

Semi tractor or standard truck delivery

One piece antennas are delivered on our own factory trucks to your site. Charges are based on the size of the antenna, miles and weight of the system. Discounts are factored on running a full load and combining orders directionally. DH handles your antenna from manufacturing to delivery. Other discounts applied for quantity shipping.
